Welcome to our first newsletter for 2013. We hope everyone had a wonderful Christmas and a safe and happy new year.

STAFF PROFILES

Continuing from last years newsletters, we will be introducing you to members of staff whom you may or may not have already met. This quarters newsletter will be introducing Peter, Mindy and Raelene.

Dr. Peter Coghill

Dr. Peter Coghill graduated from The University of Melbourne in 1974. He commenced general practice in the same year and ran a successful private practice in Traralgon until leaving in 2006 to move back to Melbourne and work in Rosebud West. He enjoys working in this friendly clinic and practices all types of dentistry but knows his limitations and is ready to refer patients to specialists if necessary.

Dr. Mindy Cameron (nee Nguyen)

Graduating from Melbourne University in 2009 Mindy brings the latest dental knowledge to our team as well as injecting youth and enthusiasm. She appreciates the opportunities to meet lovely patients through dentistry. Among her many dental interests are conservative and preventive dentistry, special needs and motivating patients. Mindy loves working on the beautiful Mornington Peninsula and enjoys travelling and taking photos in her spare time.

Raelene

Raelene qualified as a dental assistant in 1986 at the Lincoln Institute in Mel-

bourne. She continued to work in private practice for just over 26 years. Raelene joined Rosebud Dental Group in 2009 and is often nursing with Dr. Coghill and Dr. Cameron. She enjoys working at Rosebud Dental

Group because it is a caring, family friendly practice.

MEDICAL HISTORY

Your medical history often has an effect on the way we can treat you. Having a complete and current medical history for our patients helps us provide you with a better service.

If you answer 'yes' to any of the following questions then please ask reception for a form to update your medical history or speak to your dentist at your appointment time.

Has it been more than twelve months since you last updated your medical history with us?

Have there been any significant changes in your medical history since your last appointment with us?

OPENING HOURS ON SATURDAY

Rosebud Dental Group is now open on Saturday mornings. Appointments are available with Dr. Nutting and Dr. Cameron from 8am to 12pm Saturday mornings. We hope offering this service will make booking a dental appointment easier for those patients who find it difficult to make a weekday appointment.

WAITING ROOM MAKE-OVER

Our waiting room and reception re-

ceived a make-over late in 2012 and we are very pleased with the results.

In our waiting room we have new chairs, new magazine subscriptions, new paint, new displays including a local health care provider display.

PRIVATE HEALTH INSURANCE

As well as still being choice providers for Medibank and Bupa,

Rosebud Dental recently joined with the CBHS network. This means that patients with CBHS private health insurance will receive

better rebates on their preventative dental treatment (e.g. exam and cleans).

A reminder to all our patients that you need to bring your health insurance card to every appointment. Unfortunately the limitation with the HiCaps system is that we do need to swipe your card every time you come in for treatment as we are unable to process claims manually with a membership number.
