NEW SERVICE - IN CHAIR BLEACHING

Rosebud Dental Group now offers two types of bleaching treatments.

In-chair treatment provides brighter, whiter teeth after just 60 minutes in the dental chair. A bleaching agent is applied directly onto the tooth surfaces. Multiple sessions or take-home treatment may also be

After

needed in cases of heavy discolouration. Dr. Mindy Cameron and Dr. Ella Jin are both performing this procedure.

Take-home treatment provides the same result as in-chair treatment but is done over a period of time in the comfort of your own home. Patients need to come in for a short 30 minute appointment to have impressions taken of their teeth, from which custom-made bleaching trays are made. A bleaching gel is then placed inside the trays, and worn by the patient over the course of several weeks at

home, until a desired shade is reached.

**Suitability of whitening will be determined on a case by case basis. We recommend a dental examination and clean prior to treatment.*
